

Township of Wainfleet

"Wainfleet - find your country side!"

REMINDER TO RESIDENTS – WINTER CONTROL OPERATIONS

The Township of Wainfleet is committed to ensuring safe passage for residents, visitors and businesses and ensuring roadways are passable for emergency response vehicles.

We are asking that residents monitor local weather forecasts and please ensure that all vehicles are removed from Township roads in order to allow for proper snow clearing and removal operations during storm events. Both the Ontario Highway Traffic Act and the Wainfleet Parking By-law include provisions prohibiting vehicles from interfering with snow clearing and removal operations.

When clearing your driveway, please refrain from depositing snow and other debris on any roads, road allowances or in ditches. This will help keep the view of intersections clear and prevent drifting, damage to small vehicles and blockages that may later cause flooding.

We appreciate your cooperation in keeping our roads safe.
