

Township of Wainfleet 2018-2022 Multi-Year Accessibility Plan

**March, 2018
Update March, 2021**

**Township of Wainfleet
Multi-Year Accessibility Plan 2018-2022**

Introduction

The Accessibility for Ontarians with Disabilities Act (AODA) was proclaimed by the Province of Ontario in 2005. The legislation aims to develop, implement and enforce accessibility standards to achieve full accessibility in the Province by 2025.

The Township of Wainfleet has already initiated all compliance requirements as outlined in it's first Multi-Year Accessibility Plan of 2013-2017. This next Plan builds on the successes of the first and ensures accessibility remains a priority in municipal planning and activity. The Plan outlines requirements and addresses activities and deliverables specified in the Information and Communication, Employment Standards, Transportation Standards and Design of Public Spaces Standard and outlines an action plan for meeting these regulations. Although the Transportation regulation does not apply to the Township as there are no Township-supplied transportation services, the applicable standards are nevertheless detailed for information purposes.

The Township will initiate outreach with the public and private sector to ensure the community at large is educated about the AODA. Further, the Township will celebrate successes wherever possible.

Once approved, legislation requires this Plan to be available to the public and in alternate format upon request. Annual Progress Reports regarding activities included in this Plan will also be required.

The Township wishes to thank and acknowledge all those who continue to provide essential leadership in this process as well as assisting the Township in meeting its objectives.

Respectfully submitted by:

*William Kolasa
Chief Administrative Officer/Clerk*
