Please be advised that during the Regular Council meeting of May 9, 2023 the following resolution regarding the proposed new Provincial Planning Statement (PPS) was carried:

RESOLUTION NO. 2023-293

DATE: May 9, 2023

MOVED BY: Councillor Hirsch

SECONDED BY: Councillor MacNaughton

WHEREAS the goal of increasing housing supply and reducing barriers in planning processes as set out in the recent legislative, regulatory and policy changes, including new provisions from Bill 23, More Homes Built Faster Act, 2022 is welcomed;

WHEREAS the proposed PPS (sections 2.6 and 4.3) would dramatically remove municipal power and renders aspects of the County's Official Plan, and other official plans throughout Ontario inoperative, terminating some local planning autonomy, and directly interfering with municipalities' ability to meet local variation and unique community needs;

WHEREAS the proposed PPS changes that would allow proliferation of lots with protection restricted to specialty crop areas only diminishes the purpose, uses, and integrity of rural and agricultural lands, thereby removing protection and restricting future uses of those lands;

WHEREAS the proposed PPS changes encourage sprawl and rural roadway strip development, rather than more fiscally and environmentally sustainable practices like intensification in established settlement areas; and

WHEREAS the province has announced changes will be proposed to natural heritage (section 4.1) that have yet to be published;

THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the County of Prince Edward urges the province to:

- pause proposed changes to the PPS, particularly regarding natural heritage (section 4.1) and agricultural lands (sections 2.6 and 4.3)

- reinvest trust in the local planning authority of all 444 municipalities, recognizing that each Ontario municipality has unique landscapes, different housing needs and differing visions for local planning matters;

THAT our fellow municipalities be urged to voice their concerns regarding the proposed undermining of local planning authority;

AND FURTHER THAT a copy of this resolution be sent to all 444 municipalities, The Hon. Doug Ford, Premier of Ontario, The Hon. Steve Clark, Minister of Municipal Affairs and Housing; The Hon. Lisa Thompson, Ministry of Agriculture, Food and Rural Affairs, The Hon. Motion # 132

WHEREAS some proponents of water aerodromes claim federal jurisdiction to bypass provincial and municipal authorities and build massive docks and boathouses under the guise of the Aeronautics Act;

AND WHEREAS Transport Canada does not require proponents of water aerodromes to follow the same registration and certification procedures as land aerodromes;

AND WHEREAS Transport Canada's current regulations for water aerodromes fail to state that mixed-use docks and structures are not permitted;

AND WHEREAS Transport Canada does not require a proponent to be transparent with local authorities about their intentions or submit a building permit and final construction plans;

AND WHEREAS Transport Canada does not require a proponent to provide the municipality with a copy of the water aerodrome registration or certification documents;

AND WHEREAS Registration and certification of water aerodromes are done without environmental impact assessments from provincial and municipal authorities;

AND WHEREAS Registration and certification of water aerodromes are done without safety assessments from local authorities;

AND WHEREAS Transport Canada's loopholes in the regulations lead to lengthy court battles paid by provincial and municipal jurisdictions.

NOW THEREFORE, be it resolved that the Council of the Township of Armour supports efforts to raise awareness about the loopholes in current regulations regarding water aerodromes that allow proponents to build massive docks and boathouses without municipal consultation, approval, or adherence to bylaws and regulations.

AND FURTHERMORE, The Council of the Township of Armour endorses the letter from the Three Mile Lake Community Club Inc. and calls on Transport Canada to:

- Amend current legislation regarding water aerodromes to require mandatory consultation and transparency with provincial and municipal authorities prior to construction.
- State that 'mixed-use' docks and structures will not be permitted.

AND FURTHERMORE, the Council of the Township of Armour urges all mentioned in this resolution to **support petition e-4364** to the Minister of Transport, Omar Alghabra.

Dear Honourable Doug Ford:

RE: Town of Lincoln Council Resolution – Municipal Heritage Register

Please be advised that Council of the Corporation of the Town of Lincoln at its Council Meeting held on May 8, 2023, passed the following motion:

Resolution Number: RC-2023-58

Moved by: Councillor Lynn Timmers; Seconded by Councillor JD Pachereva

WHEREAS the Municipal Heritage Register is an important tool for the recognition, preservation and protection of cultural heritage properties within the Town of Lincoln and throughout the Province of Ontario;

AND WHEREAS the Municipal Heritage Register allows municipalities to regulate demolition on properties protected under section 27 of the Ontario Heritage Act, to allow for evaluation of potential heritage value or significance, thereby ensuring that their potential cultural heritage value is preserved for future generations;

AND WHEREAS listing a property on the Municipal Heritage Register recognizes a property's potential cultural heritage value, and is generally less complex, time-consuming, and economically burdensome to local municipalities than pursuing the designation of a property as outlined within the existing process, which requires extensive research and documentation;

AND WHEREAS the new legislative requirements of the Ontario Heritage Act associated with Bill 23 mandate assessment of all properties on the

Municipal Heritage Register within two years, resulting in need for an unreasonable amount of resources and major budget implications for a local municipality within the short 2-year timeline;

AND WHEREAS the Town of Lincoln has 247 listed properties on the Municipal Heritage Register; and

AND WHEREAS the new requirement to remove the listed property after 2 years leaves resources exposed, and unprotected for up to 5 years;

THEREFORE, BE IT RESOLVED that the Council of the Town of Lincoln addresses this resolution to the government of the Province of Ontario, affirming the importance of the Municipal Heritage Register and its role in preserving the cultural heritage of municipalities throughout the Province;

BE IT FURTHER RESOLVED that this Council of the Town of Lincoln encourages the government of the Province of Ontario to maintain the previous provisions of Section 27 of Ontario Heritage Act which promote the retention and expansion of the Municipal Heritage Register, keeping listed properties on the registry indefinitely, rather than for a maximum of 2 years in order to provide adequate time for the municipality to consider the heritage value of properties and, if necessary, initiate the designation process, before they may be demolished, and allowing properties to be re-listed within an unlimited timeframe; and

BE IT FURTHER RESOLVED that this Council of the Town of Lincoln circulate this resolution to the municipalities of Ontario for endorsement and circulation to the Province.
