Attention: Richard Nan (Manager of Operations)

Dear Mr. Nan

Every year, Winger Public School holds their grade 3-8 track and field meet at the school. In the past, we have held out running races in the field behind the school. This has proven to be difficult as the field is not always dry and level. Many students have injured themselves on the day of the track meet.

We are hoping to hold the running races on Winger Road in front of the school from 9:30 – 2:30 am on Wednesday, May 8 with a rain date being Tuesday, May 14. We would only be requesting this for this year as Winger School is closing in June.

Please let me know if this is possible.

Respectfully,

Jennifer Tye, Principal

### RESOLUTION NO. 10

**DATE:** April 10<sup>th</sup>, 2024

**MOVED BY:** Netty McEwen

**SECONDED BY:** John van Klaveren

### **RE: SECURING ACCESS TO NATURAL GAS FOR OUR COMMUNITY AND ONTARIO**

---

WHEREAS Access to natural gas is important to residents and businesses in our community for affordability and reliability.

WHEREAS The Ontario Energy Board's (OEB) decision on Phase 1 of the Enbridge Gas 2024 rebasing application, issued on 21 December 2023, has concerning implications including putting into question the future access to natural gas that support of economic development, affordable housing growth, and energy reliability in communities such as the Town of Plympton-Wyoming.

AND WHEREAS Ontario is growing and access to affordable energy to support this growth for homes and businesses is crucial, and is a measured approach to energy transition as not having access to natural gas will stifle economic growth and put housing and energy affordability at risk.

NOW THEREBE IT RESOLVED:

1. THAT the Town of Plympton-Wyoming supports a measured approach to Ontario's energy transition.

AND THAT the Town of Plympton-Wyoming recognizes that there may not be enough electricity available to replace the energy provided by natural gas and meet the increased demand from electrification.

2. THAT Natural gas must continue to play an integral role in meeting the energy needs of Ontario.

3. THAT the Town of Plympton-Wyoming supports the work the Government of Ontario has done to date, including the Natural Gas Expansion Program and Electrification and Energy Transition Panel's call for a clear policy on the role of natural gas to secure access to affordable energy.

4. THAT this resolution be circulated to the President of AMO, Colin Best, Hon. Doug Ford, Premier of Ontario, Hon. Todd Smith, the Minister of Energy, Bob Bailey Member of Provincial Parliament for Sarnia-Lambton, all regional municipalities as significant actors to ensuring the need for natural gas in Ontario as part of a measured approach towards energy transition, and submitted to [municipalaffairs@enbridge.com](mailto:municipalaffairs@enbridge.com).

Dear Premier Ford,

**Re: Motion regarding Affordability of Water and Wastewater Rates**

Please be advised that at its regular meeting of April 9, 2024, Loyalist Township Council passed the following resolution:

**Resolution 2024-77**

Moved by Councillor Willis  
Seconded by Councillor Parks

**WHEREAS** a resolution passed by the County of Renfrew regarding the unaffordability of rural and small urban water and wastewater systems has been circulated to all municipalities in Ontario; and

**WHEREAS** due to the typical geography of rural Ontario, it is not unusual for smaller municipalities to be responsible for several treatment facilities; and

**WHEREAS** the costs associated with the operations, upkeep and upgrade of a number of treatment facilities and other infrastructure to meet provincial regulations in both environmental and financial planning capacities for smaller urban centers, which typically has a much lower population density per total kilometers of water and sewer as compared to larger municipalities, is a significant financial burden on system users for this essential necessity;

**NOW, THEREFORE BE IT RESOLVED THAT** the Council of the Corporation of Loyalist Township supports the County of Renfrew's request to the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipalities Association (ROMA) and the Federation of Canadian Municipalities (FCM) to examine if the unaffordability of water and wastewater system operational costs is systemic provincially and nationally;

**AND THAT** if the unaffordability is determined to be systemic, provincial and federal governments appropriately fund an assistance program for smaller municipalities with financial oversight of drinking water and wastewater systems;

**AND THAT** a copy of this resolution be circulated to the Honourable Doug Ford, Premier of Ontario; the Honourable Kinga Surma, Minister of Infrastructure; the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, the Honourable Andrea Khanjin, Minister of the Environment, Conservation and Parks, Ric Bresee, MPP Hastings - Lennox & Addington; the Association of Municipalities of Ontario; the Rural Ontario Municipal Association; and the Federation of Canadian Municipalities.

**Re: Jurisdiction of Ontario's Ombudsman**

The following resolution, adopted by City Council at their meeting on April 8, 2024, is forwarded for your information and necessary action.

That Council approve the recommendations outlined in [Report LSOCS24-005](#), dated April 2, 2024 of the Commissioner, Legislative Services, as follows:

- a) That the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, be requested to introduce a Bill to amend the Ombudsman Act to require the Ontario Ombudsman to provide to each municipality, if requested by the municipality, sufficient particulars of each investigation, matter or case respecting the municipality that is referred to in each of the Ombudsman's Annual Reports to permit the municipality to fully understand and address the subject matter of each such investigation, matter or case including:
  - i) a copy of each complaint, as applicable, redacted only to the extent of individuals' personal information contained therein;
  - ii) the identities of the municipality's employees, officers and members of Council with whom the Ombudsman was consulting in respect of the investigation, matter or case; and
  - iii) particulars of the outcome of the investigation, matter or case including the Ombudsman's findings, conclusions and recommendations, if any.
- b) That the City Clerk forward Council's resolutions resulting from Council's approval of these recommendations to Minister Calandra, MPP David Smith, the Association of Municipalities of Ontario and to the municipal Clerks of Ontario's municipalities.

**RE: Township of Clearview Endorsement of Bill C-63 in the House of Commons**

---

Please be advised that Council of the Township of Clearview at its meeting held on March 25, 2024, passed the following resolution in support of the endorsement of Bill C-63 in the House of Commons:

Moved by Councillor Dineen, Seconded by Councillor Broderick, Whereas The Canadian Federal Government has drafted Bill C-63, The Online Harms Act, currently in front of Parliament and has had its first reading; and,

Whereas Bill C-63 requires that online tech companies and social media platforms remove child pornography and other dangerous content within 24 hours once the operator identifies the content, while also mandating the following duties:

- Duty to protect children;
- Duty to act responsibly;
- Duty to remove egregious content; and,

Whereas The Canadian Federal Government proposes to establish a "Digital Safety Commission" and nominate an "independent" Ombudsperson to proactively circumvent potential harms on behalf of Canadians; and,

Whereas online tech companies and social media platforms need to adhere to existing Criminal Laws; and,

Whereas online tech companies and social media platforms need to be held accountable to keep platforms safe from predators targeting children and other vulnerable Canadians and to protect them from bullying, hate, extremism, violence, discrimination, self harm, exploitation and sexual extortion that can lead to the most dire of consequences; and,

Whereas Clearview Township, as all Canadians, endeavours to foster safe homes, communities, schools and public spaces;

Be It Resolved That the Mayor and Council of Clearview Township endorse the passing of Bill C-63 in the House of Commons and the establishment of a "digital safety commission" and nomination of an "independent" Ombudsperson; and,

That a copy of this resolution be circulated to all municipalities in Ontario; the Association of Municipalities of Ontario; Terry Dowdall, MP; The Right Honourable Justin Trudeau, Prime Minister of Canada and The Honourable Arif Virani, Minister of Justice & Attorney General of Canada. Motion Carried.

Sincerely,

Please be advised that during the regular Council meeting of January 16, 2024 the following motion regarding support for the Province to expand the life span of fire apparatus, specifically pertaining to the replacement of fire trucks due to insurance requirements was carried:

**RESOLUTION NO. 2024-46**

**DATE: January 16, 2024**

**MOVED BY: Councillor Nieman**

**SECONDED BY: Councillor Branderhorst**

**WHEREAS** By-Law 3256-2013, being a By-Law to Establish, Maintain, and Operate a Fire Department established service level standards for the Corporation of the County of Prince Edward Fire Department;

**AND WHEREAS** apparatus and equipment are directly tied to the delivery of fire protection services authorized by Council in By-Law 3256-2013, and a safe, reliable and diverse fleet is required to serve operational needs;

**AND WHEREAS** fire Apparatus is governed by industry best practices, the application of law and recognized industry partners, including the Ontario Fire Service Section 21 Guidance Notes, National Fire Protection Association Standards, The Occupational Health and Safety Act, and Fire Underwriters Survey (FUS);

**AND WHEREAS** Fire Underwriters Survey (FUS) is a provider of data, underwriting, risk management and legal/regulatory services focusing on community fire-protection and fire prevention systems in Canada, establishing apparatus replacement schedules based on safety and risk mitigation practices;

**AND WHEREAS** on November 16, 2023, Council, received report FD-06-2023 regarding asset Management - Fire Apparatus Fleet Report and noted the budgetary pressures of meeting FUS replacement schedules;

**AND WHEREAS** no provincial funding is available for new fire trucks, yet, small and rural municipalities must meet the same standards set by FUS as larger municipalities for fire equipment, including additional pressure to move fire trucks out when they reach a specific age, even though they can still meet the safety regulations;

Re: Household Food Insecurity  
January 24, 2024  
Page 2

Household food insecurity is one of the strongest predictors of poor health, making it a serious public health issue (PROOF, 2023). Individuals who are food insecure are at higher risk of diet-related diseases like diabetes and are at higher risk for a wide range of chronic conditions such as depression and anxiety disorders, arthritis, and chronic pain. Household food insecurity leaves an indelible mark on children's health and well-being (PROOF, 2023). The experience of food insecurity in childhood is associated with mental health concerns throughout childhood and into early adulthood (PROOF, 2023). In Ontario, the healthcare costs of individuals who are the most food insecure can be more than double that of individuals who are food secure (PROOF, 2023, Tarasuk et al., 2015).

Thank you for your attention to this important issue – the solutions for which will not only help many Ontarians in need but also protect the sustainability of our critical health and social services resources.

Sincerely,

Penny Sutcliffe, MD, MHSc, FRCPC

## Council Resolution

**Date:** January 30, 2024

**Resolution Number:** 2024-31

**Moved By:** Councillor Moreton

**Seconded By:** Councillor Manson

**Background:** Before Calvin township became a township, it was burned by numerous forest fires. This was before the time of fire towers, water bombers, and municipal fire departments. A 1881 report from Lawrence Tallan, Provincial Land surveyor, states: *"The township of Calvin has been traversed by repeated and severe fires – so well have the flames done their work that with the exception of an insignificant portion, scarcely a vestige of the original timber remains."*

History has a way of repeating itself, and now rural municipalities and remote areas need more than ever to be prepared to respond to forest fires. Invasive pests like the emerald ash borer and the spruce bud worm are killing large numbers of trees, leaving copious amounts of dry kindling in our forests just waiting for a careless human or a lightning strike. Our forests are choked with deadfall and forest fires are becoming increasingly difficult to control. Add to this the effects of rising temperatures and drier seasons, or climate change, and we could be facing increasingly disastrous forest fires. This is not the time to be caught short with limited forest fire-fighting resources.

Jordan Omstead of the Canadian Press recently wrote: "But as Canada's water bombers age – and wildfire seasons are expected to intensify – some wildland

firefighters and emergency preparedness experts say the country needs to prop up its fleet of firefighting aircraft, even though several provinces are playing down concerns about capacity.” He quotes Eric Davidson, president of the Ontario Professional Association of Wildland Firefighters, “We’re really starting to see the effect of the aging fleet.”

The article further states the John Gradek, lecturer at McGill University estimates that almost half of the larger water bombers used to fight Canadian forest fires are nearing the end of their service life.

However, a Canadian company making a large skimmer-style water bomber is backed up with orders from European countries until the end of the decade.

Ontario has its own fleet of aircraft. They have 20 fixed-wing aircraft which includes 9 CL215 and CL415 water bombers that are 24 years old on average. The remaining 11 aircraft are an average of 54 years old. Melissa Candelaria, a spokesperson for Minister Graydon Smith says the MNR can handle Ontario fires with these aircraft, but Jennifer Kamau, communications manager for the Canada Interagency Forest Fire Centre, CIFFC, noted that other provinces contract out firebombers and last year there was a strain in Canada to get the resources to areas in need because there were so many fires across the country at the same time and very few aircraft available.

Peter Zimonjic of the CBC quoted the Canadian Association of Fire Chiefs (CAFC) President Ken McMullen, “It's not often that the fire chiefs sound the alarm. We are very concerned about this impending crisis that the summer of 2024 and beyond is going to bring our sector.”

In 2023 we all smelled the smoke and saw the sky turn brown. Buildings can be replaced, but lives cannot. And once an area is burned it takes more than a lifetime for it to return to its original state.

**WHEREAS** Forest fires are a very real threat to rural municipalities.

**AND WHEREAS** smoke from forest fires put people's health at risk. This is especially true of children and the elderly. The David Suzuki Foundation reports that wildfires kill many thousands of people per year and most of the deaths are from smoke inhalation.

**AND WHEREAS** forest fires are a very real danger to the climate and according to The Guardian, in 2023 they emitted three times as much carbon as the entire carbon footprint of Canada.

**AND WHEREAS** according to the John Crace interview in The Guardian with William Kurz, a retired scientist with Natural Resources Canada, around two billion tonnes of carbon have been released into the atmosphere from forest fires in 2023.

**AND WHEREAS** carbon emissions from forest fires are not counted against Canada's Paris agreement commitments, according to Kurz, but they far exceeded all of the emissions tied to Canada's economy (670 mega tonnes, or 0.67 billion tonnes, according to Environment and Climate Change Canada).

**AND WHEREAS** that standing healthy forest serves as a carbon sink, drawing in carbon, but once destroyed by fire, even though second growth takes its place, it is much less effective for many decades.

**AND WHEREAS** the federal government owns no water bombers and assists the provinces through the CIFFC, Canadian Interagency Forest Fire Centre, a spokesperson with CIFFC says that last year there were too many requests and not enough inventory to meet the needs of the country.

**AND WHEREAS** as reported by De Havilland Canada who manufacture the Canadian made water bomber, they have contracts with European countries for the next 22 of its new DHC-515 planes, which will take until 2029 or 2030 to complete and there will be very little production available to replace the aging water bombers in Ontario and the rest of Canada.

**NOW THEREFORE BE IT RESOLVED THAT** the council of the Corporation of Calvin Township urges and encourages the Federal Government to commit additional funds for cost sharing of provincial firefighting and to consider the development of a national strategy of firefighting. Furthermore, we urge the federal government to consider the measures necessary for acquiring a national fleet of Canadian-made waterbombers, with home bases strategically located to best serve and respond to the needs of rural communities, and a national fire administration to better coordinate and manage efforts across the country. We also encourage the introduction of a program similar to the Joint Emergency Preparedness Program (JEPP) which was ended in 2013.

And we encourage Minister Graydon Smith to step up the on-the-ground firefighting capability and water bomber acquisitions in Ontario.

**AND THAT** this resolution be forwarded to The Right Honourable Justin Trudeau, Prime Minister of Canada, The Honourable Bill Blair, Minister of National Defence, The Honourable Doug Ford, Premier of Ontario, The Honourable Graydon Smith, Minister of Natural Resources and Forestry of Ontario, The Honourable Vic Fideli, Minister of Economic Development Ontario, the Federation of Canadian Municipalities (FMC) and the Association of Municipalities Ontario (AMO).

**AND THAT** this resolution be shared with all 444 municipalities in Ontario for their consideration and adoption.

**Re: Catch and Release**

At its Council Meeting of February 13, 2024, the Council of the Corporation of the City of Cambridge passed the following Motion:

**WHEREAS** this council believes that the safety of our community and its protection from crime in all its forms is of utmost importance.

**WHEREAS** our taxpayer-funded judicial system exists to protect the public, who in return for their tax dollars are entitled to a system that works.

**WHEREAS** the number of charges laid for failure to comply with court orders – primarily failure to comply with the terms of a promise to appear, undertaking, recognizance, probation order, or peace bond – are steadily on the rise in the province of Ontario.

**WHEREAS** there has been a notable increase in the number of violent offences committed in the province of Ontario by individuals who are concurrently subject to release orders.

**WHEREAS** the Ontario justice system is backlogged, court systems under strain, and police and prosecutors overwhelmed by their caseloads.

**WHEREAS** we have seen a dramatic lowering of the threshold for release, resulting in violent, serious, or repeat offenders who should by rights have been reasonably detained in custody, released on supervision plans that are increasingly deficient.

**WHEREAS** the general sense among the criminal population is that breaching bail conditions will not result in much by way of consequence for the offender, as evidenced by a clear pattern province-wide of unjustifiable release, a pattern which is bound to continue given insufficient resources to conduct Crown bail reviews, surety bond estreatment hearings, and ensure the subsequent collection of surety bond funds after judgment.

**WHEREAS** a 'catch and release' system constitutes a failure of government to perform a core function of its existence, that being the protection of public safety and that this failure constitutes a clear and present danger to the public.

**WHEREAS** the current hard drug crisis has contributed to a desperate criminal element that is exacting a significant financial and emotional toll on communities across Canada including Cambridge.

**WHEREAS** our police services are being demoralized by expending precious time and resources having to manage the repeated arrests of these habitual criminal offenders within a system that limits their ability to effectively protect the public.

**AND WHEREAS** this ineffective follow-through by our judicial system unfairly erodes the public's trust in our police services, who consequently become the target of frustrated and angry residents who feel they are no longer being protected from crime.

**AND WHEREAS** the increasing erosion of public faith and trust in our judicial system ultimately brings the administration of justice in the province of Ontario into disrepute and leads to a growing feeling amongst residents that they are no longer protected by a system perceived to prioritize the rights and freedoms of the criminal over the rights and safety of themselves and their families.

**NOW THEREFORE BE IT RESOLVED**, that the City Clerk for the City of Cambridge send a letter to the Right Honourable Justin Trudeau, Prime Minister of Canada, the Honourable Arif Virani, Minister of Justice and Attorney General of Canada, Attorney General of Ontario Doug Downey, Ontario Solicitor General Michael Kerzner, the Honourable Doug Ford Premier of Ontario, MP Bryan May, MP Valerie Bradford, MPP Jess Dixon, MPP Bryan Riddell, Police Chief Mark Crowell, Waterloo Regional Police Service, all Ontario Police Associations and Police Departments, Ontario Provincial Police, all Ontario MPPs and MPs, and all municipalities throughout Ontario for their endorsement consideration, requesting additional funding in Ontario's legal system to support a meaningful resistance to the current "catch and release" practice, including hiring sufficient court staff, with a specific focus on additional assistant Crown Attorneys.

Should you have any questions related to the approved resolution, please contact me.

Danielle Manton

**Re: Carbon Tax**

At its meeting held on January 15, 2024, Sarnia City Council adopted the following resolution:

***Whereas the federal government recently increased the carbon tax in April 2023 and will almost triple it by 2030; and***

***Whereas the Parliamentary Budget officer has admitted that when fiscal and economic impacts of the federal fuel charge are considered that the vast majority of households will see a staggering loss; and***

***Whereas this tax flows through from producers to transporters to the grocery store floor for our citizens; and***

***Whereas this tax does very little to reduce pollution and emissions; and***

***Whereas two thirds of Canadians are approximately \$200 away or less from not being able to pay all their bills at the end of the month; and***

***Therefore, be it resolved that Sarnia City Council write a Letter to the Federal government (and copied to other Municipalities for their consideration) strongly urging them to cancel the carbon tax which is financially hurting our citizens at a time***

***when affordability concerns are at an all-time high to ease the financial and inflationary pressure on our Citizens.***

RE: Hastings County Motion regarding sustainable infrastructure funding for small rural municipalities

Please be advised that Hastings County Council, at its meeting held on March 28, 2024, passed the following resolution:

**WHEREAS** Ontario's small rural municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets including roads and bridges and water wastewater and municipally owned buildings including recreational facilities and libraries;

**WHEREAS** in 2018, the Ontario government mandated all Ontario municipalities to develop capital asset management plans with the stipulation that they be considered in the development of the annual budget;

**WHEREAS** small rural municipalities (of 10,000 people or less) are facing monumental infrastructure deficits that cannot be adequately addressed through property tax revenue alone;

**WHEREAS** the only application approved through the recently awarded Housing Accelerator Fund to a small rural municipality was to Marathon Ontario, who received an allocation of \$1.9 million dollars while over \$1.369 billion going to Ontario's large urban centres, resulting in a 0.2% investment in rural Ontario;

**WHEREAS** the Ontario Government has committed \$9.1 billion to Toronto alone to assist with operating deficits and the repatriation of the Don Valley and Gardner Expressway;

**WHEREAS** small rural Ontario cannot keep pace with the capital investments required over the next 20 years unless both the Provincial and Federal Governments come forward with new sustainable infrastructure funding;

**WHEREAS** it is apparent that both the Federal and Ontario Governments have neglected to recognize the needs of small rural Ontario;

**NOW THEREFORE BE IT RESOLVED THAT** Hastings County call on the Ontario and Federal Government to implement sustainable infrastructure funding for small rural municipalities;

**AND THAT** small rural municipalities are not overlooked and disregarded on future applications for funding;

**AND THAT** both the Federal and Ontario Governments begin by acknowledging that there is an insurmountable debt facing small rural municipalities;

**AND THAT** both the Federal and Ontario Governments immediately commission a Working Group that includes a member of the Eastern Ontario Wardens Caucus, to develop a plan on how to deal with the impending debt dilemma;

**AND FINALLY THAT** this resolution be forwarded to The Honourable Justin Trudeau, Prime Minister of Canada, The Honourable Sean Fraser, Minister of Housing, Infrastructure and Communities of Canada; Michel Tremblay Acting President and CEO, Canada Mortgage and Housing Corporation; The Honourable Doug Ford, Premier of Ontario; The Honourable Kinga Surma, Ontario Minister of Infrastructure; The Honourable Paul Calandra, Ontario Minister of Municipal Affairs and Housing; MP Shelby Kramp-Neuman, Hastings-Lennox Addington; MPP Ric Bresee Hastings-Lennox Addington, AMO, ROMA, FCM, Eastern Ontario Wardens' Caucus and all Municipalities in Ontario.

## Proposal summary

We are proposing a regulation specifying the circumstances under which the Minister may issue an order to prevent a conservation authority from making a permitting decision and make the permitting decision in the place of a conservation authority or may undertake a review of a conservation authority permitting decision.

## Proposal details

Conservation authorities regulate development and other activities through a permitting process under the *Conservation Authorities Act* for the purposes of natural hazard management and to protect people and property from natural hazards, such as flooding and erosion. Each conservation authority implements the permitting framework based on provincial legislation, regulatory

requirements, and technical standards, as well as conservation authority board-approved policies that outline how the conservation authority administers regulations locally.

Recently proclaimed provisions in the *Conservation Authorities Act* and associated regulations came into effect on April 1, 2024, including new powers for the Minister to 1) issue an order to prevent a conservation authority from issuing a permit and to take over the permitting process in the place of a conservation authority, and 2) review a conservation authority permit decision at the request of the applicant.

The Ministry is proposing a regulation which would set out the circumstances under which these powers could be used. If the regulation is approved, public guidance would be made available on the criteria and processes outlined in the regulation.

## 1. Permits issued by the Minister

Existing requirements under the *Conservation Authorities Act* regarding permits issued by the Minister under section 28.1.1 include:

- The Minister may issue an order directing a conservation authority not to issue a permit to a specific individual to engage in a specified activity, or to persons who may wish to engage in a certain type or class of activity, that would be prohibited under section 28 without a permit.
- The Minister's decision to issue an order is discretionary, and it may be issued either before or after an application for a permit has been submitted to the relevant conservation authority.
- Notice of any order must be provided to affected conservation authorities, any person who applied for the permit in question prior to the order and be posted on the Environmental Registry of Ontario (ERO (Environmental Registry of Ontario)) within 30-days.
- If an order made, the Minister has the power to issue a permit in place of the conservation authority. When making a permitting decision, the Minister is required to satisfy the same criteria concerning natural hazards and public safety that are considered by conservation authorities. This includes whether the activity is likely to affect the control of flooding, erosion, dynamic beaches or unstable soil or

bedrock. It also must consider whether the activity is likely to create conditions or circumstances that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property.

- The Minister may refuse the permit or issue a permit subject to such conditions as the Minister determines are appropriate.

### **Proposed additional requirements that would be set out in regulation include:**

- The Minister may make an order to prevent a conservation authority from making a permitting decision and take over the permitting process only if the development activity or type or class of permits pertains to or supports a specified provincial interest, including:
  - Housing (community, affordable and market-based)
  - Community services (health, long-term care, education, recreation socio-cultural, security and safety, environment)
  - Transportation infrastructure
  - Buildings that facilitate economic development or employment
  - Mixed use developments
- If a proponent wishes to petition the Minister to issue an order, the proponent must submit a request to the Minister that would include information on:
  - Overview of proposed development.
  - Why the Minister's involvement is requested (e.g., development of provincial interest, timing/urgency; permitting process to date if applicable; other barriers) and preferable to the standard process in the *Conservation Authorities Act*.
  - Indication of whether the local municipality has endorsed the project and the request for Minister's involvement (e.g., by municipal letter or resolution).
  - Status of other required project approvals including the extent of any engagement with the conservation authority in the permitting process that the applicant has had to date.

## 2. Permits reviewed by the Minister

Existing requirements under the *Conservation Authorities Act* relating to requests for review under section 28.1.2 regarding permits where there is an order made by the Minister of Municipal Affairs and Housing under section 34.1 or 47 of the *Planning Act* and section 28.1 regarding all other conservation authority permits include:

- An applicant who has been refused a permit or had conditions attached to a permit by a conservation authority to which the applicant objects can, within 15-days of receiving reasons for the authority's decision, submit a request to the Minister for the Minister to review the authority's decision. Alternatively, an applicant also has the option to appeal the authority's decision to the Ontario Land Tribunal.
- After receiving a request, the Minister has 30-days in which to decide whether or not they intend to conduct a review. If the Minister decides to conduct the review, a notice shall be posted on the ERO (Environmental Registry of Ontario) within 30-days of a reply indicating the Minister intends to review the decision by the authority. If the Minister does not reply within 30-days of the request, this is deemed to indicate that the Minister does not intend to conduct a review.
- After conducting a review, the Minister may confirm or vary the authority's decision or make any decision that the Minister considers appropriate, including issuing the permit subject to conditions.
- The Minister is required to base the decision on same criteria concerning natural hazards and public safety that are considered by conservation authorities. This includes whether the activity is likely to affect the control of flooding, erosion, dynamic beaches or unstable soil or bedrock. It also must consider whether the activity is likely to create conditions or circumstances that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property.

### **Proposed additional requirements that would be set out in regulation include:**

- The Minister may conduct a review of a conservation authority permit decision only if the development activity pertains to or supports a development of specified provincial interest, including:
  - Housing (community, affordable and market-based)

- Community services (health, long-term care, education, recreation socio-cultural, security and safety, environment)
- Transportation infrastructure
- Buildings that facilitate economic development or employment
- Mixed use developments

Note: This criteria would not apply to permit reviews under section 28.1.2 regarding permits where there is an order made by the Minister of Municipal Affairs and Housing under section 34.1 or 47 of the *Planning Act*.

- The request submitted to the Minister for a review would include information on:
  - Overview of proposed development.
  - If the request relates to conditions imposed by the conservation authority to which the applicant objects, identification of the specific conditions that are subject to the request for review, the changes requested to the conditions and the rationale in support of the requested changes.
  - If the request relates to an authority's decision to refuse a permit, the rationale in support of requesting that the Minister varies the decision and issues the permit.
  - Why the Minister's involvement is requested (e.g., development of provincial interest, timing/urgency; permitting process to date; other barriers) and preferable to alternative mechanisms in the *Conservation Authorities Act*.
  - Indication of whether the local municipality has endorsed the project and/or the request for Minister's involvement (e.g., by municipal letter or resolution).
  - Status of other required project approvals.

## Regulatory impact analysis

By clearly communicating the circumstances under which the Minister would consider whether to issue an order to prevent a conservation authority from making a permitting decision and to make permitting decisions in place of a conservation authority or to review a conservation authority permitting decision, this proposal would ensure that development proponents pursue the appropriate permitting channel. Efficiently navigating the permitting process is

expected to help save proponents time and resources. We expect that there will be some minor administrative costs for development proponents based on the time needed to learn about and understand the proposed changes.

5.    **Business**
  - a)    NOAA Meeting  
      Allison and Katharina attended this meeting. Allison circulated documents from this meeting for the committee to review and discuss at the next meeting.

b) Transportation

Area municipalities all expressed displeasure with NRT. Niagara Falls is taking a letter to their Council March 18, 2024 which other municipalities can copy to take to their respective Councils.

The committee reviewed the NRT metrics for 2023.

c) Niagara Region Accessibility Plan

Committee members are encouraged to complete the survey.

d) Seniors Housing

Maureen proposed the idea of charging developers a fee to fund private housing for seniors in Wainfleet. The committee discussed other methods to bring seniors housing to Wainfleet, such as advocating to higher levels of government.

e) Niagara Community Foundation – Wainfleet Fund

There was a recent article about the Svob family in Niagara This Week related to this fund. Councillor Van Vliet will speak with Sharon about how to access the fund.

**6. Action Items from Previous Meeting**

- a) There was no discussion about social media use at the NOAA meeting. At this time the committee will go through the Township's existing social feeds to get any messaging out.
- b) The Township website has been updated to make both the committee and seniors pages current.

**7. Other Business**

- a) The committee discussed the New Horizons Grant. The application period is currently closed. Allison has sent an email to confirm when it opens.
- b) The committee discussed increasing collaboration with the Wainfleet seniors group.
- c) The committee discussed the Township website cookie policy as there is only the option to accept, but not to manage.

**Re: Item for Discussion – Correspondence from Muskoka Domestic Abuse Review Team, dated January 2024, regarding Declaring Gender-Based Violence and Intimate Partner Violence an Epidemic**

At its meeting of April 10, 2024, the Council of the Corporation of the Town of Bracebridge ratified motion #24-GC-068, regarding Declaring Gender-Based Violence and Intimate Partner Violence an Epidemic, as follows:

“WHEREAS in June 2022 the Culleton, Kuzyk & Warmerdam Inquest was held to investigate the circumstances surrounding the deaths of Carol Culleton, Anastasia Kuzyk and Nathalie Warmerdam, all of whom were killed by the same perpetrator on September 22, 2015;

AND WHEREAS the jury returned eighty-six (86) powerful recommendations, the first calling on the Ontario Government to declare of Intimate Partner Violence as an epidemic;

AND WHEREAS on August 16th, 2023, the Minister of Justice and Attorney General of Canada Arif Virani described Gender-Based Violence as “an epidemic” in the federal government’s formal response to a coroner’s inquest, also stating that his government is committed to ending the Gender-Based Violence epidemic “in all its forms, and is working to address any gaps in the Criminal Code to ensure a robust justice system response”;

AND WHEREAS the incidences of Gender-Based Violence and Intimate Partner Violence increased exponentially throughout the COVID-19 pandemic and has not decreased, while funding to provide the growing demand of services and support for victims and survivors of Intimate Partner Violence and Gender-Based Violence has not kept pace;

AND WHEREAS by declaring Gender-Based Violence and Intimate Partner Violence an epidemic, the Town of Bracebridge can join the growing number of municipalities in Ontario demanding action from all levels of government to address this growing epidemic;

NOW THEREFORE BE IT RESOLVED THAT the Town of Bracebridge declares Gender-Based Violence and Intimate Partner Violence an epidemic;

AND FURTHER THAT the Province of Ontario be requested to declare Gender-Based Violence and Intimate Partner Violence an epidemic;

AND FURTHER THAT that this resolution be sent to the Premier of Ontario; Minister of Children, Community and Social Services; Associate Minister of Women's Social and Economic Opportunity; Attorney General; Solicitor General; Minister of Health; Member of Provincial Parliament for Parry Sound-Muskoka; the Association of Municipalities of Ontario (AMO); the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO); Muskoka Area Indigenous Leadership Table (MAILT); and all Ontario Municipalities."

**Re: Item for Discussion – Request for Provincial Support for Cemetery Operations**

At its meeting of April 10, 2024, the Council of the Corporation of the Town of Bracebridge ratified motion #24-GC-066, regarding Request for Provincial Support for Cemetery Operations, as follows:

“WHEREAS under the Funeral, Burial and Cremation Services Act, 2002, when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

AND WHEREAS over the last decade, there has been an increase in the number of churches and local cemetery boards initiating processes to transfer ownership or abandon their owned and operated cemeteries to the local municipality due to such issues as high maintenance costs, inaccuracy of records, lack of financial and human resources to effectively operate and maintain the cemetery, increased regulatory processes regarding training, selling of interment rights, financial operation of the care and maintenance fund, etc.;

AND WHEREAS municipalities experience the same issues and pressures that churches and local boards experience with the operation and maintenance of cemeteries within its jurisdiction, and additional transfers of cemetery lands only compound the burden on municipal taxpayers;

AND WHEREAS cemeteries are important infrastructure where the reasonable costs for interment rights, burials, monument foundations, corner stones and administration charges do not sufficiently support the general operation of cemeteries;

AND WHEREAS the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

NOW THEREFORE BE IT RESOLVED that the Council of The Corporation of the Town of Bracebridge requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery operations:

1. That the Province of Ontario provide annual funding (equitably allocated based on the operating costs of cemeteries) to municipalities to assist with the maintenance of inactive and active cemeteries;

2. Provide free training opportunities and resources for municipalities regarding cemetery administration; and,
3. Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

AND THAT this resolution be circulated to the Ministry of Public and Business Service Delivery, the Bereavement Authority of Ontario CEO/Registrar, the Minister of Municipal Affairs and Housing; the Minister of Finance; the Local Member of Provincial Parliament; the Association of Municipalities of Ontario; the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO); and all Ontario Municipalities.”

**RE: Cemetery Transfer/Abandonment Administration & Management Support**

---

Please be advised that Council of the Township of Clearview, at its meeting held on December 11, 2023, passed a resolution regarding Cemetery Transfer/Abandonment Administration & Management Support as follows:

Moved by Councillor Walker, Seconded by Councillor Broderick, Whereas under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

And Whereas over the last decade, there has been an increase in the number of churches and local cemetery boards initiating processes to transfer ownership or abandon their owned and operated cemeteries to the local municipality due to such issues as high maintenance costs, inaccuracy of records, lack of financial and human resources to effectively operate and maintain the cemetery, increased regulatory processes regarding training, selling of interment rights, financial operation of the care and maintenance fund, etc.;

And Whereas municipalities experience the same issues and pressures that churches and local boards experience with the operation and maintenance of cemeteries within its jurisdiction, and additional transfers of cemetery lands only compound the burden on municipal taxpayers;

And Whereas cemeteries are important infrastructure where the reasonable costs for interment rights, burials, monument foundations, corner stones and administration charges do not sufficiently support the general operation of cemeteries;

And Whereas the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

Now Therefore Be It Resolved that Council of the Township of Clearview requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery transfers:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;
- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries; Page 6 of 7
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

And that this resolution be circulated to the Hon. Todd McCarthy, Ministry of Public and Business Service Delivery, Jim Cassimatis, BAO Interim CEO/Registrar, MPP Brian Saunderson and all Ontario municipalities. Motion Carried.

## Recommendation

Be It Resolved that Council of the Township of Clearview hereby receives Report LS-032-2023 (Cemetery Transfer/Abandonment Administration & Management Support) dated December 11, 2023; and,

Whereas under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed;

And Whereas over the last decade, there has been an increase in the number of churches and local cemetery boards initiating processes to transfer ownership or abandon their owned and operated cemeteries to the local municipality due to such issues as high maintenance costs, inaccuracy of records, lack of financial and human resources to effectively operate and maintain the cemetery, increased regulatory processes regarding training, selling of interment rights, financial operation of the care and maintenance fund, etc.;

And Whereas municipalities experience the same issues and pressures that churches and local boards experience with the operation and maintenance of cemeteries within its jurisdiction, and additional transfers of cemetery lands only compound the burden on municipal taxpayers;

And Whereas cemeteries are important infrastructure where the reasonable costs for interment rights, burials, monument foundations, corner stones and administration charges do not sufficiently support the general operation of cemeteries;

And Whereas the interest earned from the care and maintenance fund(s) of a cemetery do not provide adequate funding to maintain the cemetery with the rising costs of lawn and turf maintenance contracts and monument restoration;

Now Therefore Be It Resolved that Council of the Township of Clearview requests that the Province through the Ministry of Public and Business Service Delivery and the Bereavement Authority of Ontario (BAO) consider the following to assist municipalities in this growing concern of cemetery transfers:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;
- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries;
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

And that this resolution be circulated to the Hon. Todd McCarthy, Ministry of Public and Business Service Delivery, Jim Cassimatis, BAO Interim CEO/Registrar, MPP Brian Saunderson and all Ontario municipalities.

## **Background**

Under the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), when a cemetery is declared abandoned by a judge of the Superior Court Justice, the local municipality within whose geographic boundaries the land of the cemetery is located, becomes the owner of the cemetery with all the rights and obligations in respect of the cemetery and the assets, trust funds and trust accounts related to it that the previous owner or operator possessed.

Over the last decade there appears to be a trend where cemeteries in Ontario are being transferred, whether through abandonment or a mutually agreed upon transfer, to the care and control of municipalities. This is often seen when there is a breakdown in existing cemetery boards and/or when churches cease operations. For many existing private cemetery boards their board members and volunteers are aging and are unable to assist with the operations and maintenance of the cemetery any longer. Finding new members proves to be difficult for these boards to continue. In addition to aging board members, there are other issues that are contributing to the increase in cemetery transfers:

- high maintenance costs
- inaccuracy of records
- lack of financial and human resources to effectively operate and maintain the cemetery

- increased regulatory processes that require ongoing training for selling of interment rights, and the financial operation of the care and maintenance fund, etc.

### **Township Owned Cemeteries**

The Township of Clearview currently owns and operates nine (9) cemeteries within its geographic boundaries. Out of these nine cemeteries, four (4) are considered active meaning that there are still interment rights to be sold, or burials to take place. Below is a chart outlining these cemeteries and their status:

<b>Cemetery Name</b>	<b>Address</b>	<b>Status</b>
Batteau Hill Cemetery	2670 County Road 124, Duntroon	Inactive
Bethel Union Cemetery	2249 Creemore Avenue, New Lowell	Inactive
Dunedin Union Cemetery	9 Turkeyroost Lane, Dunedin	Active
Duntroon Pioneer Cemetery	2870 County Road 124, Duntroon	Inactive
Lavender Cemetery	827103 Mulmur/Nottawasaga Townline, Creemore	Active
Old Zion Presbyterian Church Cemetery	6130 Highway 26, Sunnidale Corners	Inactive
Second Line Nottawasaga Cemetery	2279 County Road 42, Stayner	Active
Stayner Union Cemetery	7661 Highway 26, Stayner	Active
Zion Presbyterian Church Cemetery	12358 County Road 10, Sunnidale Corners	Inactive

For the Dunedin and Stayner Union Cemetery, the Township looks after the maintenance and burials through a third-party contractor. The maintenance and burials for the Lavender Cemetery are conducted through the Board. For the Second Line Nottawasaga Cemetery all the interment rights have been sold, but there remains one burial to be completed. The cost to maintain an active cemetery is expensive. Although burial costs and the installation of markers, etc. are cost recovery through the purchaser, grounds maintenance is not.

Inactive cemeteries still require consistent grounds maintenance, which includes any monument restoration for health and safety, and record searches for the public register.

## Comments and Analysis

When analyzing the number of cemeteries that Clearview Township currently owns and operates, maintenance and administration is a large undertaking. To add any additional cemeteries by way of transfer or abandonment will only compound the issues the Township is already facing. In the past year, the Township has been approached by two separate entities regarding possible cemetery transfers. When a board or cemetery transfers ownership to the municipality, the issues are transferred with it. Municipalities are not immune to the same concerns. It becomes a strain on municipal resources, financially, administratively, and operationally.

### Administrative Impact

From an administrative perspective the management of four active cemeteries is both time consuming and complex. No interment is the same, and providing good customer service takes time especially for those making arrangements while also dealing with grief. Administrative tasks include but are not limited to: interment right sales and mapping, burial contracts and scheduling, monument placement, historical record searches, plot and monument staking, fees and charges review, family transfers of interment rights and annual reporting to the Bereavement Authority of Ontario (BAO).

- **Incomplete records**

Often the records accepted by the Township from a dissolved cemetery board or church are incomplete and disorganized. This is no fault of the previous board members, as they are also often operating with limited resources. However, it does make it difficult to manage the cemetery post-transfer when records are sparse. Understanding which plots are occupied and by who is critical to the sound management of a cemetery. Unfortunately, this is not made possible in all cases because of incomplete records. In addition, records received during a transfer usually are maintained under different records management standards and are often organized and named inconsistently. Adaptation to Township records keeping practices takes time.

- **Lack of human resources**

Cemetery management is a highly regulated professional field, with the responsibility of which is often placed on public sector employees who may have limited knowledge of cemeteries in general. With reduced resources within municipalities especially rural ones, the management of cemeteries often becomes a secondary responsibility to another position. There is also a lack of affordable training available for municipal employees who are required to abide by regulations set out by the FBCSA and the BAO.

- **Increased regulatory processes**

Annual reporting requirements of the BAO can be extensive and complex. This includes monitoring the number of interments, the transfers to the Care and Maintenance Fund (C&M), and how the C&M fund can be used. There are also regulations pertaining to maintaining a public register, how sales are to be conducted and strict guidelines on Cemetery By-law approvals, and expansions including the erection of columbaria structures.

- **Inconsistent cemetery regulations**

Cemeteries can have many different regulations related to plot size, number of burials allowed in a given plot, monument size, what types of flowers/shrubs are allowed to be installed near a headstone etc. The transfer of different cemeteries having inconsistent regulations can make it difficult to adapt management practices in order to maintain original cemetery operational standards.

## **Operational Impact**

Similarly, from an operational perspective the grounds maintenance of cemeteries, whether active or inactive, is both time consuming and complex. A key issue when analyzing the maintenance component of cemetery management is the lack of financial resources to support the operation. Cemetery maintenance includes, but is not limited to: grass cutting (whipper snipping around monuments), tree and shrub maintenance, monument and corner stone maintenance, water pipe and washroom monitoring, and general upkeep of cemetery grounds (removal of debris, etc.).

- **High maintenance costs**

As with many services, there are rising costs to contend with. Municipalities have adopted different models to address the maintenance of such, with third party contractors being commonly used or it becomes the responsibility of an internal department such as Parks & Recreation. Regardless the model, the costs have increased significantly over the last decade with equipment purchases/upgrades, insurance requirements for third-party contractors, and the time it takes to cut the grass and whipper snip around monuments. To put it into perspective, the Stayner Union Cemetery with the expansion is 25 acres with monuments to manoeuvre around during ground care. Other considerations for maintenance includes monument restoration and ensuring that they are not deteriorated to the point where they are unsafe. This is important for older cemeteries where restoration hasn't been provided in the past and there are many deteriorating monuments.

- **Cost of cemetery management software**

Cemetery Management Software can help municipalities manage cemetery records, including plot sale contracts, interment rights certificates, and regulatory reporting.

However, these software solutions are often expensive and require a large amount of staff time to implement especially with incomplete data and records. These software solutions range in price from \$5,000 to \$100,000 with annual maintenance costs. This investment in software can be a large budget request and one that would need to be supported from taxation with the limited funds in cemetery general accounts.

- **Inadequate Care and Maintenance funds**

When the Funeral, Burial and Cremation Services Act, 2002 (FBCSA) was enacted, it stipulated that a care and maintenance fund for a cemetery shall be established. A cemetery operator is required to make contributions to the fund from the sale of in-ground graves, crypts, tombs, niches, scattering rights and monument installation. The contribution is prescribed under the FBCSA and differs dependant on the interment type. The idea is that the fund (income earned from the fund - interest) pays for maintenance costs after a cemetery has stopped making sales. In reality, this concept does not produce enough funds to maintain a cemetery. Looking at the Stayner Union Cemetery as an example, for the very basics (grass cutting and whipper snipping) the interest from the care and maintenance fund does not provide enough monies to maintain the cemetery for the 7 months it's required. In addition, the care and maintenance fund is also to be utilized for the stabilization, maintenance and security of markers. Cemeteries are not self funding, and maintenance of such is becoming a larger budget concern.

### **Support Request**

Cemetery transfers and abandonments have been an ongoing concern for Clearview Township for many years. When you look at the large geography of the Township there are many cemeteries within the boundaries that have the potential to be transferred. To gauge the concern of other municipalities on this issue, staff addressed it at a Simcoe County Clerks group discussion. Many neighbouring municipalities expressed that they were dealing with the same issues and have also been approached by different external entities on possible transfers.

As result of the discussion, it was agreed that to assist with the real concerns with transfers and abandonments of cemeteries, it's vital that the Province provide assistance to adequately support this infrastructure. Support can be provided in many different forms, with staff making the following recommendations for the Ministry of Public and Business Service Delivery and the BAO:

- Amend the Funeral, Burial and Cremation Services Act, 2002 (FBCSA), to have the Province, through the BAO, identified as the default owner and operator of a cemetery when it is abandoned;

- Provide annual funding (based on the number of cemeteries a municipality owns and operates) to municipalities to assist with the maintenance of inactive and active cemeteries;
- Provide free training opportunities for municipalities regarding cemetery administration; and,
- Investigate and support the design of universal cemetery software for use by municipal cemetery operators that can be offered at an affordable cost.

There is not one solution to solve all the issues, but at the very least it's important to identify the concerns and have open and real discussions at the provincial level on what support can be provided.

### **Clearview's Strategic Plan**

The above initiative supports the following strategic pillars:

- Governance

### **Financial Implications**

It is difficult to identify an exact dollar amount that can be attributed to a cemetery transfer/abandonment to the municipality. Every transfer is different and depends on a multitude of factors beginning with the cemetery status (active/inactive), acreage, care and maintenance fund (if any), maintenance of records, etc. What is being recommended by staff by way of support from the province is not meant to erase the costs entirely, but rather, to alleviate the financial burden in some capacity.

 Item No: 12.3

Description: Funding for the 2024 Municipal Equipment Operator Course

**RESOLUTION:**

WHEREAS, municipal public works departments from across the Province of Ontario provide invaluable services to our communities ensuring the health and safety of all residents;

AND WHEREAS, if it was not for our municipal public works employees from across the Province of Ontario maintaining our public roads systems, our communities would not be able to function as emergency personnel could not respond to calls, school buses could not get our children to school, residents would not be able to get to work, school or appointments and many more basic functions would not be able to happen;

AND WHEREAS, municipal public works departments are already feeling the impacts of a labour shortage, which will only be exasperated over the next three to five years, which will cause levels of service municipalities are able to provide to ensure the health and safety of our residents to decrease;

AND WHEREAS, there is currently no provincial-wide course that properly trains potential municipal public works employees, specifically relating to municipal heavy equipment.

THEREFORE IT BE RESOLVED, that the Township of Greater Madawaska supports the work of the Association of Ontario Road Supervisors to develop a Municipal Equipment Operator Course to address this issue;
