ARTICLE 17 – JURY DUTY

17.01 An employee who is called upon to serve as a juror or as a witness upon subpoena in a legal proceeding (except in a legal proceeding commenced by the employee against the Employer, including a grievance arbitration in which the employee is a grievor) shall be granted a leave of absence for such purposes with continued accrual of seniority during the period of leave. During the period of leave, the employee will be paid their regular salary or wages, provided they make application to their Department Head/Designate and deposit with the Employer the full amount of compensation received for such service excluding traveling and meal expenses. The employee will, upon request, present proof of service and the amount of pay received.

ARTICLE 18 – LEAVES OF ABSENCE

- 18.01 Leave of Absence Without Pay: The Employer may grant an employee a leave of absence without pay for good cause and for a reasonable period of time at its sole discretion. Such leaves will not be granted until earned vacation time and banked time has been taken.

Application for a leave of absence without pay shall be submitted in writing at least four (4) weeks in advance of the requested start date unless circumstances make it impossible to do so, in which case the request must be submitted as soon as possible before the leave is required. Requests shall be made in writing and submitted to the Department Head. The application must specify clearly the reason for the leave. Replies shall be in writing and include a brief explanation of the reason if the request was denied.

- 18.02 Union leave: A leave of absence without pay and without loss of seniority will be granted to not more than two (2) employees, elected and/or selected to attend union conventions or conferences for an aggregate of not more than fifteen (15) days in any calendar year, as long as any request for such leave is received by the Employer at least two (2) weeks in advance of the commencement of the leave. The Employer will continue to pay the employee's salary and benefits and invoice the Union for the same.

- 18.03 DZ Licence: Outside workers shall be granted one-half ($1/2$) day of paid leave for the purpose of obtaining and/or maintaining a Class DZ licence when required. Paid leave shall not extend to repeat attempts after an initial unsuccessful attempt. Proof of successful completion shall be provided for insertion in the employee's personnel file.

- 18.04 Election leave: The Employer will comply with the *Canada Elections Act, Ontario Election Act* and the *Municipal Elections Act, 1996*, as applicable, with respect to ensuring that employees have at least three (3) consecutive hours away from work, without loss of pay, in which to cast their vote. Any time away from work, if necessary, shall be at the Employer's convenience.

- 18.05 An employee shall be granted one (1) days leave without loss of pay to attend their Canadian citizenship ceremony.

- 18.06 When it is necessary to write an examination following completion of a course of study approved through the Corporation's Tuition Reimbursement Policy, time off without loss of pay or seniority will be granted, sufficient to write such an examination.

- 18.07 When leave of absence is required to write an examination following completion of a course of study not previously approved through the Tuition Reimbursement Policy, the employee concerned may apply in writing to their non-union Supervisor. Such leave of absence with or without pay and without loss of seniority may be granted at the discretion of the Corporation.

- 18.08 (a) In the event an employee is on an approved leave of absence, and receiving compensation that does not equal their normal earnings, the employee may use available earned vacation, time off in lieu, and/or sick leave credits in order to achieve their normal earnings.
- (b) It is understood that the provisions of 18.08(a) shall not apply to those workers on a maternity/parental leave or an approved leave without pay.

- (b) Notwithstanding the provisions of subsection (a) an employee may carry over from one year to the next unused sick days for use in the subsequent year. No employee shall have more than fifteen (15) sick days at any time.
- 19.02 Employees will be granted 20 hours per calendar year to utilize to attend medical and dental appointments. In the event an employee exceeds 20 hours in a calendar year, subsequent appointments will be treated as sick time, or in the absence of remaining sick time treated as vacation or lieu time, or in the absence of remaining sick time and vacation or lieu time, treated as time off without pay.

In the event of appointments under this section, the Employee shall notify the Department Head/Designate at least one (1) week in advance of such appointment. In the case of emergency appointments, the employee shall endeavour to notify the Department Head/Designate as soon as possible prior to the appointment.

It is management's preference that employees endeavor to secure medical and dental appointments before or within the first hour of, or within the last hour of, or after their scheduled shift, such that human resource planning disruption is minimized.

- 19.03 Where an employee's medically documented health circumstance is such that the employee requires sick time allowance beyond the eight (8) days per year allocated under this contract, the Corporation and the Union shall refer to the responsibilities imparted on both parties consistent with Article 5.01 of the Collective Agreement. This understanding also applies to an employee who due to reasons beyond their control (e.g. travel distance to a specialist's office), cannot schedule related medical appointments at the start or end of the work day. In either situation, each case will be reviewed on its own merits.

The Union recognizes that certain benefits are not available to employees over the age of 70 and Provincial benefits may apply to such employees rather than Township benefits. Such benefits shall be reinstated if they become available from Township benefit providers. In lieu of these benefits an amount equal to the premium paid on behalf of the employee will be paid to the employee as part of their payroll until such time as the employee ceases to be employed by the Township.

22.03 In the event an employee is required to leave the workplace for medical treatment or is sent home by the Employer as a result of experiencing a workplace injury or accident during their shift, the employee shall receive payment for the remainder of the shift at their regular rate of pay without deduction from sick leave unless a doctor, nurse, or other certified first responder states that the employee is fit for further work on that shift.

22.04 In the event an employee is required to seek medical treatment as a result of a workplace injury or accident during work hours, and is unable to transport themselves, transportation will either be provided by the Corporation or the Employer will reimburse the cost of said transportation (with the cost being calculated on the basis of transportation to/from the closest hospital or physician and either the workplace or the employee's home, as applicable).
