Subject: Hello from Rabbi Zaltzman
Attachments: 2017 Calendar Greetings.pdf

I hope this email finds you well. I am writing to you on behalf of Rabbi Zaltzman.

Like previous years, we at Chabad Niagara are now in the process of preparing our Jewish Calendar and Program Guide for the year 5781 (2020-2021). This in mind, we are once again including seasons greetings and warm regards from city officials and dignitaries and would like to confirm with you that we may include a personal salutation in our calendar.

The size, picture, and design would be the same as past years (attached please find a previous year's sample for your review).

If you would like to go ahead with an ad, please reply with a photo (unless the previous one is ok) and greeting (if modified from the previous year).

We would love to have your support of \$100 and seasons greetings to the Jewish community in such a concrete way.

We look forward to hearing from you shortly.

Kind Regards,
Gayle Levesque

Wainfleet, Ontario

Wainfleet Township:

Mayor and Councillors

I wish to register my concern to Council, which I previously expressed at the recent Committee of Adjustment hearings held on July 15, 2020.

The Committee's first issue was to discuss an application for "minor" variances requested by Long Beach Resort Ltd. My son-in-law Gavin Thomson presented a motion to have the issue deferred until the American owners adjacent to the development, could be present to have their comments and concerns heard and discussed. This motion was denied as Committee members dealt only with the legality of holding the meeting. They would not deal with the issue of fair representation.

The project calls for the removal of all trailers (a good move) which will in turn be replaced by almost the same number of "cabins" (ie cottages). The owners have stated that they will now be appealing to customers seeking a "wine retreat or yoga experience". Gone will be the family-oriented approach of the previous owner to provide a quiet "family experience" along our lovely shores of Lake Erie.

The reason I am writing to you today is to alert you to the treatment afforded to the American cottage owners at the recent Committee meeting. A notice was sent out to all property owners within 60 metres of the resort (the minimum requirement). The problem was that mail delivery to the USA is significantly slower than to Canadians during the COVID-19 pandemic. Thus some of the American owners received the notice (to them, "out of the blue") with less than a week available for them to register their concern. Failure to register meant they would lose their right to voice concerns in the future.

This included the owner whose cottage is less than 10' from the resort building. In fact 4 of the 5 lake-front owners on the east side of the resort are Americans. And

I am told that approximately 1 of 3 owners in the area are Americans. That is not fair to the owners who are most impacted by the changes being contemplated by the new owners and yet pay the same taxes.

I am told that the next step in the evolution of the resort is to request a Site Plan Meeting with Council members. Sarah Ivins, Planner, expects this to occur later this year.

I am writing today to ask Council to postpone any future meeting on the Long Beach Resort project until all Americans have the right to attend such a meeting to voice their concerns and to ask their questions in person. This will also require ample notice so that they can travel the extensive distances from their various U. S. locations (including California and Florida).

I am further requesting that notification should be sent to all owners within a 1 kilometer radius of the project. The proposals suggested for this project will have a significant impact on the entire Long Beach area and on the “Wainfleet – Find Your Country Side” style of living.

I would be glad to attend the Council meeting to discuss this request with Council in person. Or feel free to contact me by email or telephone (905-899-1141) if you want to discuss it in more detail prior to the Council meeting.

Sincerely

Hugh Goodwillie

CORPORATION OF THE TOWN OF RENFREW

RESOLUTION NO. 2020 - 06 - 44

Moved By: Reeve Emon
Seconded By: Councillor Jamieson

WHEREAS the COVID-19 pandemic crisis has had a catastrophic affect on employment and small business survival rates, with over 11.3% jobless rate in Ontario in April 2020 alone with only a few signs of a change over the next several fiscal periods;

AND WHEREAS the Renfrew County region is already at a distinct economic disadvantage due to a shorter infrastructure construction season and the lack of essential services, like effective and available broadband across its vast and rural area that would allow for greater flexibility to work from home, or telecommute;

AND WHEREAS the County of Renfrew and the other 19 municipalities and first nations reserves within the geographical borders have an incredible influence on the economy through investments in infrastructure spending, with over \$70million being invested in 2020 in municipal projects, but will now have to evaluate and adjust the way they safely operate and offer community services and modes of transportation;

AND WHEREAS the County of Renfrew and the other 19 municipalities and first nations reserves have submitted over \$73.5 million worth of applications to the *Investing in Canada Infrastructure Program: Community, Culture and Recreation Stream*, with all considered shovel ready and shovel worthy;

AND WHEREAS the County of Renfrew and the other 19 municipalities and first nations reserves have submitted previously over \$25million in *the Investing in Canada Infrastructure Program: Green Stream* and *Investing in Canada Infrastructure Program: Rural & Northern Stream*;

AND WHEREAS both large and small infrastructure projects have the immediate effect on local small and medium businesses in our region with consideration of the multiplier ratio on every \$1million invested having the ability to create 7.6 jobs in the local marketplace, meaning that approval of these projects would create over 1,200 jobs across Renfrew County;

NOW THEREFORE BE IT RESOLVED that the Council of the Town of Renfrew calls upon the Governments of Ontario and Canada to fast track the review of current and previous *Investing in Canada Infrastructure Program* grant applications in order to provide much needed employment and investment into rural Ontario to provide sustainable infrastructure that will be safe and suitable in a post-pandemic setting;

AND FURTHER THAT a copy of this resolution be circulated to the Right Honourable Prime Minister of Canada; the Honourable Premier of Ontario; MP Cheryl Gallant, Renfrew-Nipissing-Pembroke; the Honourable John Yakabuski, MPP Renfrew-Nipissing-Pembroke; the Minister of Infrastructure; the Association of Municipalities Ontario; Rural Ontario Municipalities Association and all Municipalities within the Province of Ontario.

- CARRIED -

I, Jennifer Charkavi, Deputy Clerk of the Corporation of the Town of Renfrew, do hereby certify this to be a true and complete copy of Resolution No. 2020 - 06 - 44, passed by the Council of the Corporation of the Town of Renfrew at its meeting held the 23rd day of June 2020.

DATED at Renfrew, Ontario

Re: Long Term Care Home Improvements

At its meeting held on June 22, 2020, Sarnia City Council adopted the following resolution submitted by Councillor Margaret Bird with respect to the conditions in Long Term Care homes exposed by the pandemic:

That due to the deplorable conditions exposed by the pandemic in LTC homes in the province, and because this is a time for action, not just continuous streams of investigations, commissions and committees, and because the problems have been clearly identified, that Sarnia City Council direct staff to send this motion to the 444 Ontario Municipalities, asking them to urge Premier Ford to start implementing the required resolutions immediately, as follows:

- 1. increasing hours for all part-time and casual labour***
- 2. since the government provides funding for privately-operated homes, they have an obligation to inspect these homes and see that they are being properly run, and that funds are being used for the benefit of the residents and not the huge profitability of the operators, and***
- 3. to end the neglect and unacceptable conditions being experienced, each day, by our vulnerable seniors.***

Sarnia City Council respectfully seeks your endorsement of this resolution. If your municipal council endorses this resolution, we would request that a copy of the resolution be forwarded to the following:

Doug Ford, Premier of Ontario; and

City of Sarnia, City Clerk's Office

Sincerely,

Dianne Gould-Brown
City Clerk
