Dear The Honorable Doug Ford and The Honorable Michael Parsa,

I am writing on behalf of Woodstock City Council to express the urgent and pressing need for adequate and sustainable funding for the Children's Aid Society of Oxford County and other child welfare agencies throughout Ontario. These organizations play a vital role in safeguarding and enhancing the health, well-being, and safety of our children, youth, and families and deserves appropriate support and attention from our elected officials.

Our community, like many across the province, relies on the Children's Aid Society and other child welfare agencies to not only protect children and youth from abuse or neglect, but provide critical crisis intervention, early intervention, and preventative services. Their work ensures children receive necessary care at the most crucial times, close to their own homes, allowing families to remain intact and thrive together.

The lack of access to healthcare, mental health supports, poverty reduction initiatives and affordable housing is taking a toll on families and caregivers. These systemic shortfalls propel child welfare agencies into roles they were never intended to assume, filling gaps in services to ensure the well-being of children, youth, and families.

Without sufficient financial backing, these agencies are strained to a breaking point. They operate without the ability to deny families the services they desperately need. They cannot turn clients away, manage waitlists, or declare services unavailable. Yet, even with remarkable community partnerships, these agencies lack the means to expedite or ensure access to necessary treatments for those in their care.

The repercussions of this funding deficit extends well beyond individual families, affecting the community at large. Our local Children's Aid Society is supporting an ever-increasing number of youth exhibiting complex behaviors. These challenges translate into higher intervention costs, increases costs for and pressure on police and emergency service providers.

The lack of access to critical early intervention services is correlating to a distressing rise in youth homelessness. The financial sustainability and stability of the child welfare sector can no longer be deferred

for debate. It is imperative the funding formula is updated to prioritize trauma-informed, culturally relevant and proactive care.

On behalf of Woodstock City Council, I urge the province to prioritize and support the financial needs of these vital agencies. All levels of government must work together to improve upstream intervention and support to prevent the tragic outcomes we are seeing as a result of inadequate funding.

Thank you for considering this urgent matter that affects our community and its future generations.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jerry Acchione', with a long horizontal flourish extending to the right.

Please be advised that South Huron Council passed the following resolution at their October 7, 2024, Regular Council Meeting:

Motion: 355-2024
Moved By: Aaron Neeb

Whereas the South Huron Heritage Advisory Committee has presented a letter to South Huron Council outlining concerns regarding heritage preservation in South Huron; and

Whereas the Heritage Advisory Committee has noted concerns regarding this amendment limiting the authority of municipal councils to designate properties with the potential to undermine the effectiveness of heritage preservation efforts across the province; and

Whereas the Heritage Advisory Committee has provided correspondence, attached hereto, to South Huron Council in relation to the concerns requesting Council support and to communicate these concerns to the Province and forward a copy of this motion to the Association of Municipalities of Ontario, Municipal Councils across the province, and Provincial MPP.

July 31, 2024

The Heritage Advisory Committee for the Municipality of South Huron wishes to thank South Huron Council for their support of resolution 128-2024 of March 18, responding to the Town of Coburg's request of February 28 for support regarding a proposed amendment to subsection 27(16) of the Ontario Heritage Act.

In addition to the concerns South Huron council supported in resolution 128-2024, our committee would like to add that we have additional concerns about amendments to the Ontario Heritage Act implemented by Bill 23 that have direct impact on our local community and - more broadly - the Province of Ontario.

Specifically, subsection 29 (1.2) of the Heritage Act traditionally provided that if a prescribed event occurs, a notice of intention to designate a property must be given within 90 days of the prescribed event. These prescribed events include the submission of development applications under the Planning Act, for example. However, with changes from Bill 23, this subsection is re-enacted to also provide that the municipality may only give a notice of intention to designate the property within 90 days if the property was already included in the register under subsection 27 (3) as of the date of the prescribed event.

This raises significant concerns for our committee. Specifically, we are troubled by the proposed amendments that would limit the authority of municipal councils to designate properties that are not already listed on a municipal register. In South Huron, like many other municipalities around Ontario, there are countless significant structures that are not yet listed under subsection 27 (3), and these changes significantly limit efforts of council to react to proposed demolitions of significant heritage properties in our municipality after planning applications are made.

We believe that these changes have the potential to undermine the effectiveness of heritage preservation efforts in our community and across the province. By weakening the protections afforded to heritage properties and reducing the ability of municipalities to designate and safeguard significant sites, we risk irreparable loss to our built and cultural heritage.

We urge council to carefully consider the implications of the changes to the Ontario Heritage Act under Bill 23 and to advocate for amendments that strengthen rather than weaken heritage preservation efforts. Specifically, we would ask that the province re-establish the 90 day period that had previously been a part of the Ontario Heritage Act for all properties, not just those already listed in the register under subsection 27 (3).

We ask that you pass a resolution to add our specific concerns to those you have already supported, and communicate these to the Province of Ontario. We also ask that you circulate this letter and seek the support of other municipalities.

Thank you for your attention to this important matter, and we look forward to our continued work together.

Sincerely,

South Huron Heritage Advisory Committee

Sample Resolution:

Whereas prior to Royal Assent of the More Homes Built Faster Act, 2022 Subsection 29(1.2) of the Ontario Heritage Act provided Council of a Municipality the opportunity to give a notice of intention to designate a property within 90 days of a prescribed event; and

Whereas the More Homes Built Faster Act, 2022 amended Subsection 29(1.2) of the Ontario Heritage Act to provide that Council may give notice of intention to designate a property only if the property is listed in the register under subsection 27 (3), or a predecessor of that subsection, as of the date of the prescribed event;

Whereas the Heritage Advisory Committee has noted concerns regarding this amendment limiting the authority of municipal councils to designate properties with the potential to undermine the effectiveness of heritage preservation efforts across the province; and

Whereas the Heritage Advisory Committee has provided correspondence, attached hereto, to South Huron Council in relation to the concerns requesting Council support and to communicate these concerns to the Province and forward a copy of this motion to the Association of Municipalities of Ontario, Municipal Councils across the province, and Provincial MPP.

Now therefore be it resolved that the Corporation for the Municipality of South Huron request the Province reconsider the amendment to Subsection 29(1.2) of the Ontario Heritage Act; and that this motion and attached correspondence be forwarded to the Premier of Ontario, Minister of Municipal Affairs and Housing, Minister of Citizenship and Multiculturalism, Association of Municipalities of Ontario, Municipal Councils across the province and MPP Thompson.

Re: Motion regarding Opposition to Provincial Legislation on Cycling Lanes and Support for Municipal Authority in Transportation Planning

At their Regular Meeting of Council on January 8, 2025, the Council of the Town of Aylmer endorsed the following resolution:

WHEREAS the Government of Ontario has announced legislation requiring provincial approval for new cycling lanes;

AND WHEREAS this legislation would compel municipalities to demonstrate that proposed cycling lanes will not negatively impact vehicle traffic;

AND WHEREAS cycling infrastructure is crucial for environmental transportation, road safety, and public health, and provincial oversight in this matter represents an unwarranted intrusion into municipal authority;

AND WHEREAS the Town of Aylmer is evolving an active transportation plan to enhance walking and cycling infrastructure;

AND WHEREAS the Association of Municipalities of Ontario (AMO) has strongly criticized this proposed legislation as a "significant overreach" into municipal jurisdiction;

AND WHEREAS AMO has stated that none of its 444 member municipalities were consulted or shown evidence justifying the province's proposed veto power over new bike lanes;

THEREFORE, BE IT RESOLVED:

1. That the Town of Aylmer strongly opposes the proposed provincial legislation governing bicycle lanes and affirms its support for maintaining municipal jurisdiction over cycling infrastructure decisions.

2. That the Town of Aylmer endorses the AMO's position that municipalities are better positioned than the Ministry of Transportation to make decisions about local transportation matters based on local knowledge and community input.
3. That the Town of Aylmer calls on the Government of Ontario to withdraw the proposed legislation and respect the established authority of municipalities to make informed decisions about local transportation needs, including the implementation of cycling lanes.
4. That the Town of Aylmer reaffirms its commitment to its transportation plan and the continued development of safe, environmentally friendly, efficient cycling infrastructure for the benefit of all residents.
5. That the Town Clerk be directed to forward a copy of this resolution to the Premier of Ontario, the Minister of Transportation, the Member of Provincial Parliament representing constituencies within the Elgin-Middlesex-London region, to the Association of Municipalities of Ontario (amo@amo.on.ca) and all Municipalities in Ontario.
6. That the Town of Aylmer calls upon municipalities across Ontario to adopt similar resolutions in defense of local decision-making authority and sustainable, efficient and environmentally friendly transportation planning.

Motion # 12/11/24 - 02
Title: Property Taxation Implications Related to Non-Market Valuation of Electricity Industry Properties, CAO General-2024-33
Date: Wednesday, December 11, 2024

Moved by: Rory Cavanagh
Seconded by: Beth Blackwell

Whereas the Municipality of Kincardine is a proud host community of the Bruce Nuclear Generating Site where Bruce Power generates 30% of Ontario's electricity needs; and

Whereas two decades ago the Province of Ontario adopted a property tax assessment model that continues to apply to Ontario's nuclear generation facilities; and

Whereas the Province assessment model includes non-market property valuation for electricity generating properties; and

Whereas the Municipality of Kincardine undertook a study in 2024 which has shown that the Provincial assessment model is compromising fairness and shifting the tax burden away from the electricity industry properties and onto the broader property tax base within the host community; and

Whereas the study demonstrated that this is primarily attributable to the assessed value of the subject properties being held almost static over several reassessment cycles, resulting from the Provincially prescribed rules for electricity generating, transmission and distribution properties; and

Whereas the Provincial model results in a disparity between the continuously updated market values assigned to the majority of properties and the static, non-market-based formula applied to electricity industry properties means that the tax burden shifts onto non-industry taxpayers; and

Now Therefore be it Resolved That municipal staff be directed to send communication to the Premier of Ontario, Minister of Energy and Electrification, the Minister of Finance, and the local MPP, to request that the Province undertake an immediate review and update the property tax assessment model for Ontario's nuclear generation facilities and other properties within the electricity industry, and copy the Association of Municipalities of Ontario and all Ontario Municipalities.

Carried.

TOWNSHIP OF
RUSSELL

CERTIFIED RESOLUTION

Date: October 28, 2024 **Item(s) no.:** 10 a

Subject: Motion to request the Redistribution of the Provincial Land Transfer Tax and GST to Municipalities for Sustainable Infrastructure Funding

Moved by: Marc Lalonde

Seconded by: Lisa Deacon

WHEREAS municipalities face growing infrastructure needs, including roads, bridges, public transit, water systems, and other critical services, which are essential to community well-being and economic development; and

WHEREAS the current sources of municipal revenue, including property taxes and user fees, are insufficient to meet these increasing demands for infrastructure investment; and

WHEREAS the Province of Ontario currently collects the Land Transfer Tax (LTT) on property transactions in municipalities across the province, generating significant revenue that is not directly shared with municipalities; and

WHEREAS the Federal Government collects the Goods and Services Tax (GST) on property transactions, a portion of which could be directed to municipalities to address local infrastructure needs; and

WHEREAS redistributing a portion of the Provincial Land Transfer Tax and GST to municipalities would provide a predictable and sustainable source of funding for local infrastructure projects without creating a new tax burden on residents or homebuyers; and

WHEREAS a redistribution of a portion of the existing Land Transfer Tax and GST would allow municipalities to better plan and invest in long-term infrastructure initiatives, supporting local economic growth and improving the quality of life for residents;

1. NOW THEREFORE BE IT HEREBY RESOLVED THAT the Corporation of the Township of Russell Council formally requests the Provincial Government to consider redistributing a portion of the Land Transfer Tax collected on property transactions to municipalities; and

2. BE IT FURTHER RESOLVED THAT the Corporation of the Township of Russell Council calls on the Federal Government to allocate a percentage of the GST collected on property sales to municipalities; and

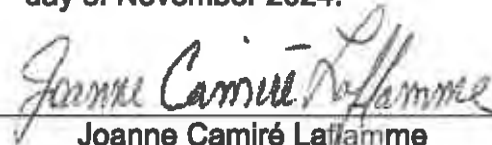

3. BE IT FURTHER RESOLVED THAT this redistribution of the Land Transfer Tax and GST should be structured to provide predictable and sustainable funding to municipalities, allowing for better long-term planning and investment in infrastructure projects that benefit local communities, thus ensuring that local governments receive a fair share of the revenue to address critical infrastructure needs; and

4. BE IT FURTHER RESOLVED THAT copies of this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs); and

5. BE IT FURTHER RESOLVED THAT copies of this resolution be forwarded to all 444 Municipalities in Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for their endorsement and advocacy

MOTION APPROVED

I, Joanne Camiré Laflamme, Clerk of the Corporation of the Township of Russell, hereby certify that the foregoing is a true copy of the resolution adopted by the Council of the Corporation of the Township of Russell on the 12th day of November 2024.
