

Are you a senior living in Wainfleet?

WE WANT TO HEAR FROM YOU!

We are the Wainfleet Age Friendly Advisory Committee. Our committee is one of many in Niagara who are part of a World Health Organization initiative to help identify and address barriers to the well-being of older people in their municipality.

The focus of the committee is on these 4 areas:

1. Transportation
2. Outdoor spaces and buildings
3. Community support and health services
4. Communication and information

This notice is a follow up to the questionnaire we posted on the Wainfleet Township website last year. The Committee will present your comments to Council.

Please email comments about your challenges as a senior living in Wainfleet to [**svanvliet@wainfleet.ca**](mailto:svanvliet@wainfleet.ca)
