Good morning

My name is Patti Bauer and I am hoping to raise a flag for Childhood Cancer Awareness month in memory of my daughter Miranda. We are hoping to be able to do this for September 3. We have 2 other raisings scheduled for the 3rd and so we are hoping for noon or after. We would also like to plant ribbons for Survivors, Warriors and Angels near the flag. Thank you all so much for your support last year!

IF possible, we would like to request that the Township of Wainfleet proclaim September Childhood Cancer Awareness Month. I have the wording used by other cities and towns who have made the proclamation for us, and can furnish it to you if you would like.

Have a wonderful day and thank you again!
