16.1 Member Motion - Councillor Thompson - Integrated Living and Participation Model for Adults with Developmental Disabilities

Moved by: Councillor Thompson
Seconded by: Councillor Cui

Whereas individuals with autism and other developmental disabilities often experience a significant reduction in structured supports and programming upon reaching adulthood, particularly after the age of 21; and

Whereas many of these individuals remain reliant on aging parents or caregivers, creating growing concern among families regarding long-term housing, care, and quality of life; and

Whereas the Province of Ontario has, over time, transitioned away from large institutional models of care toward more community-based and inclusive approaches for individuals with developmental disabilities; and

Whereas while these changes have improved opportunities for inclusion and independence, the current system of supports is often delivered across multiple programs and providers and may not fully address the long-term need for integrated living environments that combine housing, supports, and meaningful daily participation; and

Whereas there is an increasing need for innovative, sustainable, and inclusive models of care that support independence, dignity, and community integration for adults with developmental disabilities; and

Whereas opportunities may exist to explore models that provide safe and supportive living environments for adults with developmental disabilities while also offering structured, voluntary, and supported participation in day-to-day activities that foster a sense of purpose, skill development, and social connection; and

Whereas such models, if thoughtfully designed, could complement existing care environments and contribute positively to the overall well-being of both participants and residents; and

C#08-26 held May 13, 2026
Confirmatory By-law 54-26

Whereas the Regional Municipality of York is responsible for a range of human services including housing, community services, and the operation of long-term care homes, and is therefore well-positioned to explore integrated and interdisciplinary approaches to care.

Therefore, be it resolved that the Council of the City of Richmond Hill request that the Regional Municipality of York consider exploring innovative models of housing and support for adults with developmental disabilities, including the potential for an “Integrated Living and Participation Model”; and

That such consideration includes opportunities for co-location or partnership with existing regional services, including long-term care and community housing, where appropriate; and

That this model emphasizes voluntary, supported, and meaningful participation in activities that enhance quality of life, social inclusion, and community engagement, without displacing existing workforce roles; and

That Council request that the Region engage with relevant stakeholders, including developmental service organizations, families, and advocacy groups, in considering such approaches; and

That a copy of this resolution be forwarded to:

- York Region Council
- Daisy Wai, MPP – Richmond Hill; Parliamentary Assistant to the Minister for Seniors and Accessibility
- Michael Parsa, MPP – Aurora-Oak Ridges-Richmond Hill; Minister of Children, Community and Social Services

NOW THEREFORE BE IT RESOLVED THAT the Council of the City of Thorold passes the following:

Dear Members of Council,

I am following up on my message below. As of this past weekend, people are still parking on the beach as you can see in the attached picture. There's a small sign in the roadway (picture attached) but it doesn't indicate parking is not allowed on the beach. I would greatly appreciate it if someone would let me know what steps are being taken to address this ongoing situation.

Wainfleet Township Council

Wainfleet, ON L0S 1V0

Subject: Request to Address Ongoing Issues at Daly Ditch Road Allowance

Dear Members of Council,

I am writing as a taxpayer of Wainfleet to express my concern regarding ongoing and escalating issues at the Daly Ditch road allowance these past summers.

Despite regulations prohibiting vehicles on the beach, it has become common for individuals to park directly on the shoreline in this area (please see a small sampling in the attached pictures). While I understand that the Township bylaw enforcement team is notified during regular office hours, the majority of these violations occur after 6:00 p.m.—a time when enforcement coverage appears to be lacking and police rarely respond when called.

These gatherings are not just a matter of improper parking. The individuals often engage in loud and disruptive behavior late into the evening, leave behind considerable amounts of garbage, and are frequently observed drinking alcohol. This not only disturbs local residents but also poses public safety risks.

As someone who contributes to this community through property taxes, adheres to the STR bylaws and cares deeply about the protection and enjoyment of our shared spaces, I respectfully urge the Township to take meaningful action before the summer season of 2026 begins (i.e., Victoria Day weekend). Potential solutions could include:

- Extending bylaw enforcement hours during peak seasons
- Enforcing the bylaws via fines vs. a warning that does nothing to change the behavior
- Installing clear signage prohibiting parking on the beach and alcohol use and the fines (i.e., \$'s) associated for violations
- Coordinating with Niagara Regional Police for patrols during evenings

I appreciate the work the Township does to keep Wainfleet a safe and welcoming community, and I hope to see proactive steps taken to resolve this issue promptly.

Thank you for your attention and consideration.

Sincerely,

Fletcher Swift

Title: Request for review of Provincial-Municipal Fiscal Framework

Date: April 20, 2026

Moved by: Councillor J. Brass

Item No. 12.2

WHEREAS municipalities, including the Town of Halton Hills, play a critical role in delivering essential services and infrastructure that support growing and evolving communities;

AND WHEREAS municipalities are increasingly contributing to areas that intersect with provincial responsibilities, such as housing, social services, and certain capital obligations, placing additional pressure on property tax-based revenue systems;

AND WHEREAS municipal revenue tools, particularly property taxes, are limited in their ability to keep pace with growth, inflation, and the expanding expectations placed on local governments;

AND WHEREAS the Town of Halton Hills continues to invest in critical infrastructure, including roads, water, stormwater, emergency services, and recreation, to support both existing residents and future growth;

AND WHEREAS the Association of Municipalities of Ontario and the Federation of Canadian Municipalities have identified opportunities to better align municipal funding tools with the realities of modern service delivery and growth pressures;

AND WHEREAS ensuring long-term financial sustainability for municipalities is essential to maintaining service levels, supporting housing targets, and protecting affordability for residents;

NOW THEREFORE BE IT RESOLVED THAT Council of the Town of Halton Hills respectfully requests that the Province of Ontario, in collaboration with AMO, FCM and other municipal partners, undertake a comprehensive review of the provincial–municipal fiscal framework, with a view to strengthening long-term sustainability and alignment of responsibilities;

- explore sustainable, growth-related revenue tools that reflect the demands placed on municipalities; and
