On May 25, 2026, our government introduced the proposed [Protecting Ontario's Streets and Communities Act, 2026](#) (Bill 119). Through this legislation, we are proposing new tools to address zoning by-law contraventions which respond to recommendations and requests from municipal leaders. The proposed *Planning Act* changes, if passed, would enable municipalities to use an administrative monetary penalty (AMP) system for zoning by-law contraventions which relate to land uses that are not permitted.

We are interested in receiving your comments on these proposed changes. Comments can be made through the Environmental Registry of Ontario Posting [026-0558](#) Proposed Planning Act Changes (Schedule 7 of Bill 119 - *Protecting Ontario's Streets and Communities Act, 2026*) from May 26, 2026, to June 25, 2026. The government invites you to review the [Environmental Registry of Ontario and Regulatory Registry of Ontario](#) links provided above and share any feedback you may have.

If you have any questions, please reach out to my Director of Stakeholder Relations, Caucus Affairs and Public Appointments, Tanner Zelenko at tanner.zelenko@ontario.ca.

I look forward to continued collaboration with you to address these and other important issues facing our communities.

Subject: Pride month

Dear Members of Council,

I am writing as a resident to express my concern regarding the Township's recognition and celebration of Pride Month.

I believe that municipal governments serve an important role in providing essential services, maintaining infrastructure, ensuring public safety, and fostering a community in which all residents are treated fairly and respectfully. For that reason, I am concerned when the Township publicly endorses or celebrates causes that are associated with broader social, cultural, or political debates.

My concern is not directed toward any individual or group of residents. Every person should be treated with dignity, respect, and equal protection under the law. Rather, my concern is with whether the Township, as a public institution representing citizens with diverse convictions, should take official positions on matters that are the subject of differing viewpoints within the community.

Residents of our Township come from a variety of religious, cultural, and philosophical backgrounds. While many support Pride Month and its objectives, others hold differing convictions. In my view, the Township best serves all residents by maintaining neutrality on contested social issues and focusing on its core responsibilities.

I would respectfully ask Council to consider whether official celebrations, proclamations, or symbolic endorsements of social causes are consistent with the Township's role as a government representing the entire community. A posture of neutrality would allow residents and community organizations to advocate for and celebrate causes they value, while ensuring that municipal government remains a welcoming institution for people of all perspectives.

Thank you for your time and consideration of these concerns. I appreciate the work that Council and Township staff do on behalf of our community and trust that you will carefully consider the views of all residents.

Respectfully,

Roger Smit

Request for Support – Ontario Firefighter Certification Requirements

Dear Municipal Clerks,

The Town of Iroquois Falls is seeking support from neighboring municipalities regarding the implementation of Ontario Regulation 343/22 (Firefighter Certification), which requires firefighters performing certain suppression and extrication activities to obtain prescribed certifications by July 1, 2026.

While we support the importance of firefighter training and safety, The Town of Iroquois Falls has concerns about the impact these requirements may have on volunteer and composite fire departments, particularly in rural and northern communities.

Council recently passed a resolution requesting that the Office of the Fire Marshal revisit the mandatory certification program and consider greater flexibility while maintaining high standards of public and firefighter safety.

We respectfully ask that you share the attached resolution with your Fire Chief for review and consideration. If your municipality shares similar concerns, we welcome your support and advocacy on this matter.

Thank you for your time and consideration.

Sincerely,

Maureen Reeder, Clerk

Please be advised that the Council of the Regional Municipality of Waterloo at their regular meeting held on March 25, 2026, approved the following motion:

Whereas the Region of Waterloo's Community Safety and Well-Being Plan, developed under the requirements of the Community Safety and Policing Act, identifies systemic racism, hate, and discrimination as critical risk factors impacting community safety, belonging, and well-being;

RE: Ontario Regulation 391/21: Blue Box

The Council of the Municipality of Bluewater passed the following resolution at their March 16, 2026 regular meeting:

MOVED: Councillor Harris **SECONDED:** Councillor Hessel

WHEREAS under Ontario Regulation 391/21: Blue Box producers are fully accountable and financially responsible for their products and packaging once they reach their end of life and are disposed of; for 'eligible' sources only; and

WHEREAS 'ineligible' sources, which producers are not responsible for, include industrial, commercial, and institutional locations (IC & I) such as businesses, places of worship, daycares, campgrounds, public-facing and internal areas of municipal-owned buildings, and not-for-profit organizations, such as shelters and food banks; and

WHEREAS failure to include 'ineligible sources under the Ontario Regulation 391/21: Blue Box program is in essence a provincial tax on ineligible sources; and

WHEREAS should a municipality continue to provide services to the 'ineligible sources, the municipality will be required to oversee the collection, transportation, processing of the recycling; and

WHEREAS changes may result in many small businesses and not-for-profit organizations losing access to comparable recycling services and force them to seek providers at a much higher cost than the previous services rendered through the Blue Box collection system; and

WHEREAS the rising costs of collection of recycling for industrial, commercial and institutional recycling may lead to the abandonment of recycling entirely, increasing environmental damage; and

WHEREAS landfilling needs throughout the Province of Ontario are already at capacity in many communities; and

WHEREAS The Municipality of Bluewater has approximately 150 or more "non-eligible" sources that will not be provided service from the Producer Responsibility Organization;

NOW THEREFORE the Municipality of Bluewater Council hereby request that the province amend Ontario Regulation 391/21: Blue Box so that producers are responsible for the end-of-life management of recycling products from small businesses and not-for-profit organizations within the industrial, commercial and institutional sectors; and

FURTHER THAT Council hereby request the support of all Ontario Municipalities; and

FURTHER THAT this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario; the Honourable Todd McCarthy, Minister of the Environment, Conservation, and Parks; the Honourable Rob Flack, Minister of Municipal Affairs and Housing; and the Honourable Lisa Thompson, Minister of Rural Affairs and the local MPP for Huron-Bruce.
